

36' PDQ LUXURY CATAMARAN

Welcome aboard our luxurious 36' catamaran with plenty of room to fit 15 guests comfortably. Sip on a refreshing margarita in the shade or lie out and get a tan on the cushioned sundeck.

Our luxurious catamaran tours offer plenty of time to cruise the sea with the sails set at silent to glide with the waves of the ocean. There's a large shaded area in the back for those who don't want too much sun and a spacious sundeck in front with cushions to lie out on, for the sun worshippers and those who want to soak in the great view ahead. Everyone on board will have plenty of room to relax their way, whether in the shade or the sun!

There's also the large inside living space with plenty of seating room, two spacious bedrooms, and one large bathroom with shower. We also have a large kitchen and amenities like a powerful sound system to enjoy any type of music or entertainment.

With the stability of a catamaran and plenty of space this is the perfect vessel to enjoy a sunset cruise with friends or family on the warm Caribbean Sea.
